BATIMAT EGYPT SUMMIT 2016 BUILDING FUTURE EGYPT SUMMIT

Under the title "Building Future Egypt" The Arabian German for Exhibitions & Publishing, in partner with Engineering Consultants Group S.A (ECG) organized Egypt's biggest gathering in the construction industry, focusing on "Powering the future of construction industry & green building in Egypt while highlighting the new technologies & the mega projects.

We touched a wide range of topics from construction regulation, major projects and upcoming contracts to sustainable building and the latest construction technology, this event is the ideal opportunity to get involved in Egypt's booming construction industry and to access major developers, contractors and suppliers from the region.

In 2024, Egypt Projects is gearing up for its most remarkable edition yet. The 7th edition will extend for four days, from May 17 to May 20. This year, we're excited to announce a special co-located with two exceptional events:

CO-LOCATED WITH:

1- Sustainable Building Show: The Middle East's second annual trade show for global suppliers and sustainability leaders. It's where you meet like-minded professionals and make green business moves.

2- WinDoorEX Middle East: The 14th international exhibition for Glass, Aluminum, Windows, Doors & Facade.
